Security and Convenience Guaranteed

diplomat HOTEL SAFE

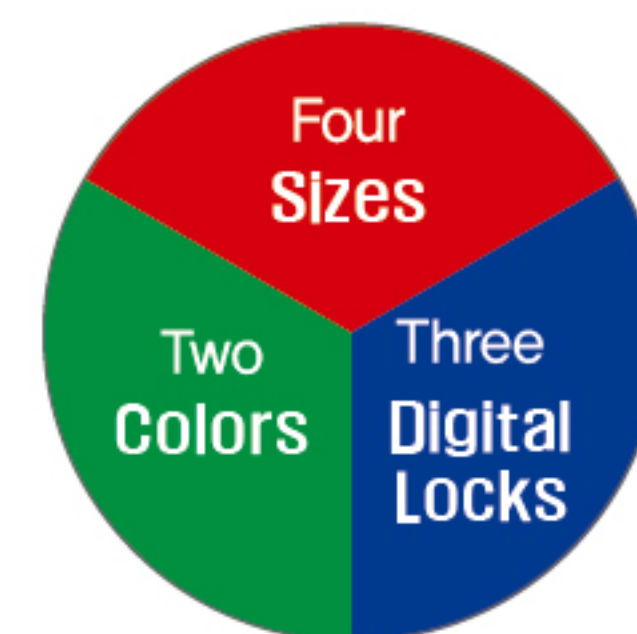

1 Distinguished quality guaranteed

Diplomat Safe Ltd has been exporting a variety of safes to over 80 countries in the world. Diplomat fire safes are certified by world famous verification institutes like SP, UL and KS, and designated a World Class Product and Global Strong Enterprise by government agencies and received Consumers Trust Brand Award. Currently Diplomat Safe is leading in the global safe markets with its quality products.

2 Portfolio with various models

Diplomat Hotel Safes set up a good portfolio in size, function and color and offer wider options of choice. Besides hotel safes, other types of safes are also optional.

3 Faster delivery and service

2 year free service and new products information are offered throughout the world. The HQ and factory of Diplomat Safe Ltd is based in Busan, Korea, very near Busan Port and 30 minutes away from Busan International Airport.
