# BUY BIGGER...

## YOU'LL BE GLAD YOU DID!

Our #1 complaint is, "I wish I would've bought a bigger safe!" We don't mind if you buy two safes—a His and Hers, or one Upstairs and Downstairs. But after 29 years of selling safes, our advice is simple: Buy bigger—you'll be glad you did.

## WHICH LIBERTY SAFE IS RIGHT FOR YOU? TAKE THIS QUIZ TO FIND OUT:

1. Which best describes your main security needs?

1 pt. ☐ I just need to secure my firearms from children and others

2 pt. ☐ I need increased security against crime and smash-and-grab burglars

3 pt. ☐ I want the highest security levels available to defeat professional thieves

2. How often are you away from home?

1 pt. ☐ Someone is home most of the time

2 pt. ☐ There are long hours when nobody is home

3 pt. ☐ Sometimes we travel for days/weeks at a time

3. If you had a fire, how long would it take the fire dept. to show up and put out the fire?

1 pt. ☐ 15-30 minutes

2 pt. ☐ 30-60 minutes

3 pt. ☐ 60 minutes+

4. What heat-sensitive items might you keep in your safe?

1 pt. ☐ Basic: Metal items such as jewelry, coins and precious metals

2 pt. ☐ Sensitive: Paper items such as cash, titles, contracts, trading cards, journals, etc.

3 pt. ☐ Ultra Sensitive: Irreplaceable items such as family photos, videos and DVDs, albums and family heirlooms

5. Estimate the dollar value of all your guns, gold, and valuables:

1 pt. ☐ Under \$3,000

2 pt. ☐ \$3,000 to \$9,000

3 pt. ☐ \$10K or more

6. Which type of door panel would you like?

1 pt. ☐ None, standard fabric covering

2 pt. ☐ Economy/deluxe accessory door panel

3 pt. ☐ Premium accessory door panel

7. What type of interior lighting would you like inside your safe?

1 pt. ☐ None, not necessary

2 pt. ☐ Battery operated LED lights in ceiling

3 pt. ☐ Auto on/off Clearview™ Safe Lights on each side of the interior

### SCORING YOUR QUIZ:

1. Add up your points:

2. Check which series best fits your needs:

**7-11 POINTS:** CENTURION, REVERE, COLONIAL & FATBOY JR.

**12-16 POINTS:** FRANKLIN, FATBOY, & LINCOLN

**17-21 POINTS:** CLASSIC, NATIONAL & PRESIDENTIAL

# PRESIDENTIAL SERIES

The pinnacle of security, fire protection and style from Liberty Safe! Presidential safes boast **fourteen upgrades** over Lincoln including: **2.5 hour fire** protection, top **level-34 security**, and a whole myriad of **high-end style and functional upgrades**. If you are looking for the best, you just found it!

SECURITY

**UPGRADE 1: 7 Gauge Steel Body**  
**BENEFIT:** Presidential's beveled edge bodies have 36% thicker steel than Lincoln series, increasing fire protection and security from cutting, torching, and prying.

**UPGRADE 2-3: More & Larger Bolts**  
**BENEFIT:** **2.** Up to 38% more bolts, 18 to 26. **3.** Larger bolts at 1.5". Your PX safe can shrug off those who try to pry or force it open. It even survived our dynamite blasts.

**UPGRADE 4: GX-480 Monster Mech**  
**BENEFIT:** The smoothest & toughest gear-drive mechanism in the industry includes Liberty's #1 SURE-TIGHT slip-clutch handle, preventing torquing and breakage of lock.

**UPGRADE 5-6: Thicker Door Security**  
**BENEFIT:** **5.** We add an extra 1/4" thick steel plate to the inside of the PX door. **6.** We also increased the door edge to 1 5/16" to resist prying and drilling. Now that's peace of mind!

FIRE

**UPGRADE 7: 2.5 Hour Fire Rating**  
**BENEFIT:** Four layers of UL Listed fireboard on all sides for the best fire protection. Includes Palusol expanding fire seal! Free replacement if your safe goes through a fire.

**UPGRADE 8-12: Elegance & Beauty**  
**8.** 24k gold plate on select colors  
**9.** More high gloss paint options  
**10.** Enhanced safe graphics  
**11.** Sleek beveled edge  
**12.** 5-Point "ship's wheel" handle

**UPGRADE 13: Hidden Floor Space**  
**BENEFIT:** Conceal more valuables out of the view of others in this hidden compartment under the floor of your safe.

**UPGRADE 14: PEET® Dehumidifier**  
**BENEFIT:** The PEET® dehumidifier keeps valuables drier by circulating warm air through a natural convection process of rising heat and pushing down cold moist air.

STYLE & FUNCTION

Included Security Features: Ball-Bearing Hardplate, Anti-Pry Tabs, UL Listed Lock, Optional D-Drive e-Lock.

**LIFETIME WARRANTY**  
On attempted break-in and fire!

"After collecting a substantial amount of gold and silver coins, we realized our old safe was unacceptable. We live in a rural area, have a home security system with cameras but still realized that our investment was at risk in our old safe. After researching the Presidential safe we decided that it was the only way to go to meet our needs. We should have bought one 10 years ago. After getting the safe in our home and filling it up, we can see how the quality is outstanding over other safes. Liberty Safes are the Best!"

—Cat65e • Ratings & Reviews

\*Overall depth includes handle spokes and outlet kit. MIN. DOOR WIDTH CLEARANCE: Subtract 1.5" from safe depth. Gun capacity varies based on size of guns and scopes. †Weights include box and pallet. Made in the USA.

# NATIONAL MAGNUM

**Traditional styling** with 5 variations from the Presidential makes the National Security Magnum legendary. **External hinges for wider door swing**, **offset 5-spoke handle**, and **beautiful finishes** give a nostalgic, authentic look. Tradition never goes out of style with Liberty's National Security safes.

UL

SECURITY

FIRE

**VARIATION 1: External Hinge**

**BENEFIT:** External hinges allow you to open your door 180 degrees for easier access to valuables, especially on the hinge side. Accented with decorative hinge caps.

**VARIATION 2: GX-540 Monster Mech**

**BENEFIT:** Designed like the Presidential GX-480, the National GX-540 offset handle adds an additional 60 degrees of rotation vs Presidential for maximum security and reliability.

**Included Security Features:**

7 Gauge Steel Body, 1.5" Bolts, Up to 26 Active Locking Bolts, 1 5/16" Composite Door, 1/4" Inner Steel Door Plate, Ball Bearing Hard Plate, Anti-Pry Tabs, UL Listed Lock, Optional D-Drive E-lock.

2.5

HOUR

FIRE RATING

**FIRE RATING: 2.5 Hour Fire Rating**

**BENEFIT:** Thicker steel body and 4 layers of fireboard equals 2.5 hours of fire protection.

Includes the world's best Palusol, 7X expanding, heat seal!

**LIFETIME WARRANTY**

On attempted break-in and fire!

**VARIATION 3: Offset Handle**

**BENEFIT:** Designed from the robust security vaults of past centuries, National Security's offset gear-driven mechanism offers a smooth, secure lock up.

**VARIATION 4: Feathered Edge**

**BENEFIT:** Several models include Liberty's handcrafted feathered edge paint option, available on select colors.

**VARIATION 5: National Graphics**

**BENEFIT:** The most formidable and renowned vaults of ages past were scripted in Old West styling and detailing. National Security carries on that tradition.

**Included Style Features:**

Black Shelf Interior Brackets, PEET® Dehumidifier, Auto on/off Clearview™ Lights, Electrical Outlet Kit, Jewelry Drawer, Pin-Dot Velour 4-IN-1 Flex Interior, Hidden Floor Space and Premium Door Panel.

National 40 in Feathered Emerald Green

"After doing extensive research, I opted to go with Liberty's National Security Safe. The thickness of the materials, the 2.5-hour fire protection and the lifetime warranty were my main motivations for going with a Liberty Safe. The delivery was perfect and the gentlemen took several measures to make sure no damage was done to my property. I am so pleased with this purchase. As soon as I can justify purchasing another one, I will definitely go with a Liberty Safe again."

# NATIONAL CLASSIC

Increased security and fire protection is the hallmark of Liberty's National Classic safes. Open one up and you'll see the massive **2-step door with 3/8" solid steel door plate**. No prying here! We've even added a **10 gauge steel** body for **increased fire protection at 110 minutes**.

SECURITY

UL

FIRE

**UPGRADE 1: 2-Step Door**

**BENEFIT:** Massive 5-inch thick 2-STEP door with 3/8" solid steel door plate is one of the toughest doors to pry in the industry. UL listed tough!

**UPGRADE 2: 10 Gauge Steel**

**BENEFIT:** Thicker 10 ga. steel increases fire protection and security from cutting, torching, and prying.

**Included Security Features:**

Patented DX-90 Monster Mech, 1.25" Bolts, Up to 16 Active Locking Bolts, Inner Steel Composite Fire Door, 60% Inner Steel Door Plate, Ball Bearing Hard Plate, UL Listed Lock, Optional D-Drive E-Lock.

110

MINUTE

FIRE RATING

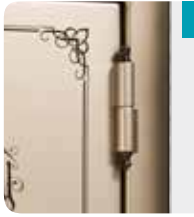

**UPGRADE 3: 110 Min. Fire Rating**

**BENEFIT:** Huge 110 minutes of fire protection at 1200 degrees. 4-over-3 layers plus 4 in the door! Double the Palusol on each door step. Keeps out smoke and heat!

**LIFETIME WARRANTY**

On attempted break-in and fire!

STYLE & FUNCTION

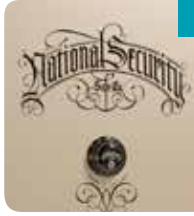

**UPGRADE 4: External Hinge**

**BENEFIT:** External hinges allow you to open your door 180 degrees for easier access to valuables, especially on the hinge side. Accented with decorative hinge caps.

**UPGRADE 5: Feathered Edge**

**BENEFIT:** Several models include Liberty's handcrafted feathered edge paint option, available on select colors.

**UPGRADE 6: National Graphics**

**BENEFIT:** The most formidable and renowned vaults of ages past were scripted in Old West styling and detailing. National Security carries on that tradition.

**Included Style Features:**

Premium Accessory Door Panel with COOL POCKET, 4-IN-1 Flex Pin-dot Velour Interior, LED Clearview Lights Installed, Electrical Outlet Kit w/ USB and CAT 5, 12" Electric Dehumidifier, Velvet Lined Jewelry Drawer.

"I Recently Purchased National Classic 50. Fit and finish is great! Functionality is exactly what I was looking for. Very pleased with purchase. My family who have seen it are very impressed as well. It made them question the "box" they purchased at a warehouse club. I view this safe as a family heirloom and it will protect many of my family's valuable items."

"We love our new safe. I (the wife) never knew a safe could be so attractive to look at while being so functional. My husband has several guns and I had just inherited a few items from my mother that I wanted to protect from fire or burglary. This safe was the perfect solution for us both and I just love it. Thank you, Liberty, for making such a high-quality product here in the USA."

# FRANKLIN SERIES

A higher fire rating of **75 minutes** and Liberty's **TOUGH DOOR™** ensures a great combination of fire protection and security. **DX-90 Monster Mech** plus **15 feature upgrades**, like the 4-IN-1 Flex interior and Brightview™ LED lights, make the Franklin series the finest mid-line class safe.

SECURITY

FIRE

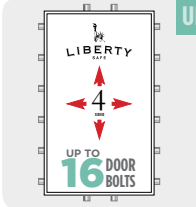

### UPGRADE 1: DX-90 Monster Mech

**BENEFIT:** Patented slip-clutch and over-center cam protects lock from side-bolt punching and torquing of handle. PATENTS: Cam #US8347665B2, Clutch #US8943864

### UPGRADE 2-3: Bigger/Longer Bolts

**BENEFIT: 2.** Massive 1.25" all-active bolts. **3.** Bolts extend 33% longer to increase the security of the door against prying or punching. That's why we call it the TOUGH DOOR™.

### UPGRADE 4-5: Double Bolts!

**BENEFIT: 4.** Double the top and bottom door bolts for additional protection against prying. **5.** Added 60% inner steel door plate coverage for stronger rigidity.

Included Security Features:

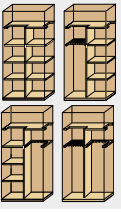

**11 Gauge Steel** Two-Piece Roll Form Body, Triple Hardplates, SURETIGHT Handle, Anti-Pry Tabs, Optional D-Drive E-Lock.

**75 MINUTE FIRE RATING**

### UPGRADE 6: 75 Min. Fire Rating

**BENEFIT:** More fireboard (4 over 2+3) buys 75 minutes of certified protection during a fire. Includes Palusol expanding fire seal! Free replacement if your safe goes through a fire.

STYLE & FUNCTION

### UPGRADE 7-11: Style Features

- 7.** 4-IN-1 Flex interior
- 8.** Holds more guns in 25/35 models
- 9.** More color options to match décor
- 10.** Corner scrolls on marble colors
- 11.** Larger sizes available: 25, 35, 50

### UPGRADE 12: Brightview Lights

**BENEFIT:** Brighten your safes interior with Liberty's Brightview™ light kit. Auto on/off light activated motion sensor to extend battery life. Installation required.

### UPGRADE 13: Power Outlet Kit

**BENEFIT:** Plug in your Franklin safe and power is ready to go! Includes USB, standard outlets, ethernet plug, SAFELERT antenna pass-through and installation hardware.

### UPGRADE 14-15: Deluxe Amenities

**BENEFIT: 14.** Expand your storage with the revolutionary deluxe door panel with COOL POCKET®. **15. Pin Dot Velour Interior** on all Franklin gloss models.

"We feel much more at peace having this safe in our home. Along with all the protections it provides, we feel elated about the fact that we don't need to worry about our grandkids' safety when they are around. Nor will we worry if turmoil should happen in our country's economy or government because of the things we are now able to store in our safe versus the safe deposit box at the bank. Overall, we are very excited and pleased."

SECURITY

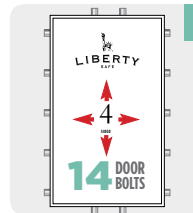

FIRE

STYLE & FUNCTION

### UPGRADE 1: Heavier Safe

**BENEFIT: 11 gauge body** increases sturdiness from attacks and from a thief hauling it away. It's even tougher to steal if bolted down with Liberty's anchoring kit.

### UPGRADE 2-3: Bolt Coverage

**BENEFIT: 2.** Pry resistance increased with more 1" bolts than ever before.  
**3.** 4-sided bolt coverage with anti-pry tabs to better secure valuables if there is an attack.

### UPGRADE 4: 60 Min. Fire Rating

**BENEFIT:** 11 gauge steel on FATBOY 48 means 60 minutes of fire protection. Includes Palusol expanding fire seal! Free replacement if your safe goes through a fire.

### UPGRADE 5: Economy Door Panel

**BENEFIT:** The FB48 comes standard with Liberty's Economy Door Panel to allow quicker access to valuables and handguns, plus free up shelf space.

### UPGRADE 6: Bolt-Down Security

**BENEFIT:** We include Liberty's bolt-down kit to secure your safe to the floor to prevent forward tipping when door is open and security from theft!

### LIFETIME WARRANTY

On attempted break-in and fire!

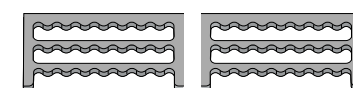

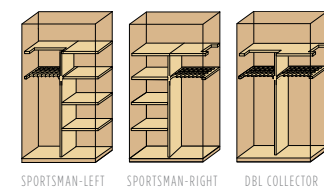

Available in the following hardware, fabric and paint finish:

Shipping Weight†:	760 lbs.

\*Overall depth includes handle spokes (outlet kit optional on FB48, add 1.5"). MIN. DOOR WIDTH CLEARANCE: Subtract 1" for FB48 from safe depth. Gun capacity may vary depending upon size of guns and scopes. \*Weights include box and pallet. Made in the USA.

# COLONIAL SERIES

11 ga. steel body means increased security and higher fire rating of **60 minutes!** Your valuables are protected behind the **best safe company and warranty** in the industry.

UL® SECURITY  
FIRE

## UPGRADE 1-2: More Locking Bolts

**BENEFIT: 1.** Top and bottom door bolts added to resist prying.  
**2.** Security bolts all four sides of the door further increase pry resistance.

## UPGRADE 3-4: 11 GA & X-Cam

**BENEFIT:** Liberty's thicker 11 gauge 2-piece roll form body and direct drive X-Cam mechanism strengthens security and helps prevent prying.

### Included Security Features:

Triple Hardplates, SURETIGHT Handle with Slip Clutch, 11 ga. Body and External Relocker, Optional Low Profile E-Lock.

**60 MINUTE FIRE RATING**

## UPGRADE 5: 60 Min. Fire Rating

**BENEFIT:** Additional layers of fire-board increase fire protection 20 minutes for a 60 minute fire rating! 3-Over-2+3 fire package with 7X Palusol heat expanding seal.

## LIFETIME WARRANTY

On attempted break-in and fire!

STYLE & FUNCTION

## UPGRADE 6: Brass Hardware

Select models and colors include Liberty's brass hardware upgrade and Camel fabric 3-IN-1 Flex interior. Adds a touch of class to accent the furnishings of any room!

## UPGRADE 7: More Colors

It's easier to match your room decor with Colonial's expanded color lineup, including gloss models that shine!

## UPGRADE 8: Camel Fabric

We compliment select models and colors with our Camel fabric interior, installed on all walls and shelves to protect valuables.

## UPGRADE 9: Economy Door Panel

Liberty's economy door panel is standard on Colonial models at select authorized Liberty dealers only.

### Included Style Features:

Customizable 3-IN-1 Flex Interior

"Top quality safe! Gray marble with black chrome trim is a very beautiful option. My wife approves of it so much it went in the house instead of the garage!!!"

—Jacob A. • Ratings & Reviews
