# Happy Heart

*A good looking Happy Heart safe will make your space beautiful and warm.*

## Happy Heart

The design of Happy Heart was motivated from happiness, and it indicates smiling and positive energy. There are various patterns of Happy Heart covering door surface, some facing each other, some grimacing and some smiling. We may say it's like our life. Why not bringing a Happy Heart of happiness in your home?

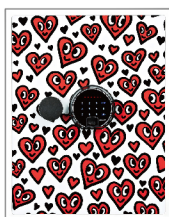

## Charles Jang

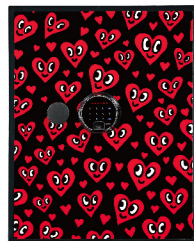

A famous Korean pop artist Charles Jang pursues free images out of conventional painting. He has already designed 'Happy Heart', 'Robot Taekwon V Series', 'Buddha's Head Series', 'Free Style' and so on, which are classified an independent sector out of conventional art. He always attempts to do various ways in his art working. That's why he is enhanced by public.
